BRIEF ABSTRACT OF LETTER.

Requests sanction to the Dist Boards resolution to pay a contribution of Rs 250 annually to the D.B.W out of the Dist Fds, towards the cost of the annual repairs of the road leading from Iverkandapur & Hesaraghatta to the 8th mile on the Bangalore - Tumkur road

NOTES AND ORDERS.

From a perusal of the records connected with the case, it will be observed that the road which is 9½ miles in length is being maintained by the Hesaraghatta Water Supply Division at

at a cost of Rs 635 annually; and that the carts belonging to the Military, D.B.W, as well as the general public are using the same.

The no of carts which passed on the road during the course of a month in 1903 and the two months of February & March 1905 are shown below:-

Year.	Military carts.	D.B.W carts.	Village carts.
One month of 1903	176	498	1234
Feb & March 1905	985	"	29317.

Of the 29317 other carts referred to how many belonged to the D.B.W cannot be ascertained from the records.

Judging from the fact that the road in question is mostly used by the general public, the contribution offered by the Board viz Rs 250 seems to be insufficient.

As it is the Boards intention that the D.B.W should continue to keep the road in good order getting the D
